Virtual Meeting Tips

- This meeting is being recorded so that others may listen to it at a later time for reference and will be uploaded to the RCEC YouTube page as well as www.rcec.us once you log in to access the content of the webinar series
 - All connections to this live meeting feature have been accounted for so please do not forward the Zoom link or invite anyone to join because you are taking someone else's spot and Zoom will automatically start kicking off connections randomly
 - Please use the chat feature to ask your questions
- **Every effort has been made to ensure the security of this webinar from “zombombombers” but in the event that we experience that, please stay calm and we will resume as soon as the technical difficulties have been resolved.****

College and Career Activities for Elementary

“We are no longer guidance counselors only focused on graduation and course selection for students.

We are professional counselors who focus on: the academic success, college and career readiness and social-emotional development of all students”.

WHO'S IN THE ROOM?

Scenario

Your principal walks into your office and asks you to “build a college-going culture” since you are the school counselor. She would like a plan for the year. How do you respond?

THE SCHOOL COUNSELOR AND CAREER DEVELOPMENT

School counselors play a critical role in students' career development by:

- **introducing careers** and the world of work beginning in **lower elementary grades** (pre-K-3)
- Providing and advocating for individual pre-K through postsecondary students' **college and career awareness** through **exploration and planning**
