

Hey Awesome Senior! We noticed you have not submitted your financial aid application (FAFSA/CADAA). We care about you and wouldn't want you to pass up free money for community college, CTE, university or the military. File ASAP. You will need the following:

**-Parents 2016 taxes**

**-Parents DOB**

**-Parents Email Address**

**-Date parents married, separated, divorced or widowed**

**Right now we are number one in our district with financial aid completions. Don't let our rival schools pass us up! Race to submit!!!**
