# Virtual Meeting Tips

- This meeting is being recorded so that others may listen to it at a later time for reference and will be uploaded to the RCEC YouTube page as well as [www.rcec.us](http://www.rcec.us) once you log in to access the content of the webinar series
  - All connections to this live meeting feature have been accounted for so please do not forward the Zoom link or invite anyone to join because you are taking someone else's spot and Zoom will automatically start kicking off connections randomly
  - Please use the chat feature to ask your questions
- \*\*Every effort has been made to ensure the security of this webinar from “zombombers” but in the event that we experience that, please stay calm and we will resume as soon as the technical difficulties have been resolved.\*\***
