--	--	--	--	--	--	--	--	--

Type:  Social Security Number  Taxpayer ID Number

By providing my Social Security Number (SSN) / Taxpayer ID Number (TIN) above, or by indicating that I do not have an SSN / TIN, or decline to provide one at this time, I confirm that I have read and understand the federal laws stated below, and the state privacy laws and regulations provided in the Privacy Policy available to me at any time at <https://www.openccc.net>.

I do not have a Social Security Number or Taxpayer ID Number, or **decline to provide one at this time**.

I am an international student, nonresident alien, or other exception, and **I do not have** a Social Security Number or Taxpayer ID Number.

The Social Security Number is required to claim tax credits for higher education costs known as the American Opportunity Tax Credit in accordance with the Taxpayer Relief Act of 1997. Federal law requires the California Community Colleges to provide specific information to the Internal Revenue Service (IRS) for the purpose of filing an information return (IRS Form 1098T "Tuition Statement") for each student in attendance, with a few exceptions. The information required by the IRS includes the student's name, address, Social Security Number (SSN) or Taxpayer Identification Number (TIN/TIN), and enrollment status, as well as the amount of tuition paid or billed, and scholarships received. (26 C.F.R. 1-60505-1(b)(2)(ii).) Failure to provide a correct Social Security Number or TIN while claiming tax credits for specified education expenses may result in a penalty levied against the student by the IRS in the amount of \$100, per year, until the missing or incorrect information is provided (26 C.F.R. 160505-1(e)(4))
