

NVHS Race to Submit Senior English Class Competition

Contest **start date: October 10, 2018** at 7:30 AM

Contest **end date: December 14, 2018** at midnight

Rules: *Each senior class will compete. The competition is based off FAFSA/CADAA completions. If a senior submits their financial aid application but it is not completed, it will not count. The criteria used to determine if a student is a completer is an expected family contribution can be calculated and there are no errors or updates needed in a student's application. Ms. Grijalva will run financial aid completion lists weekly starting October 19th.*

Prizes:

1st place class with 100% completion: pizza party (date selected by teacher and class).

*There will be a raffle for senior English teachers with the highest completion by December 14: IPAD or wireless speaker.

* A drawing will take place during pizza party for one student in 1st place class(es) to win a Prom Ticket!

Although the date to submit the FAFSA/CADAA for max aid is **March 4th** and the contest ends December 14th, the teacher that continues to persevere and encourage seniors to complete their FAFSA and has the most completions by March 4th at midnight will earn a Cheesecake Factory gift card or BJ's gift card.
