Q: Was the Bitmoji Scene created on Smore or on Google Slides?

A: Google Slides

Q: Do high school counselors do presentations at the middle schools?

A: Yes, and we even use our peer leaders in high school to present at middle school.

Q: Resources on how to create the bitmoji scene would be beneficial.

A: Creating a Bitmoji Scene

Open google slide

Click Background or Google image Search for "wall floor background"

Insert or Add the Background to your slide.

Add you Bitmoji using the Google Chrome Bitmoji Extension

Insert Images of furniture/pictures with transparent background through Web Search or Copy for Google Image Search

Insert Links or Embed Videos to the Images you Inserted

Insert Text Box to Add Text where Needed

You can download as a pdf & the links will save

Q: At what grade should we have those discussions on A-G requirements?

A: Never too early to start but we recommend starting the conversations in middle school.
