My Repurposed Homework Action Plan

Where Am I Now?	Where Am I Going?	How Do I Get There?	Impact On My Teaching/Students/Families

Questions for Learning Teams

- What is your biggest takeaway from this session? What immediate action will you take because of this takeaway? Explain this to your team.
- What side of the homework debate do you fall on? Explain your position.
- What is the biggest concern you expect your students to express when you repurpose homework? What about parents?

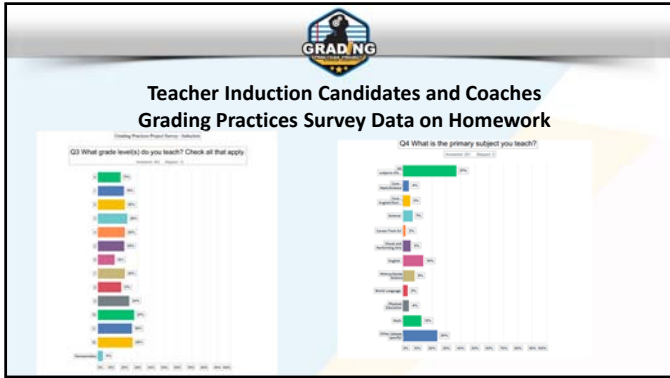

Having students do homework out of fear of negative consequences turns a situation ideal for building intrinsic motivation into one that implies the teacher thinks external contingencies are required to get it done. (p. 77)

What Does It Mean to Repurpose Homework?

Process
vs
Final Result

Feedback & Improvement
vs
Points & Percentages

What Are The Purposes of Practice and Games?

After athletic or musical practice, parents never ask their children, "What was the score?" p.81

Practice is critical for improvement while games validate the practice.

Anderson

"Oh, Mrs. Anderson is beginning to recognize your handwriting, so I'll need you to do my math homework now, Dad."

What Potential Inaccuracies Can Happen If You Are Grading Practice?

Six Alternative Ways Teachers Can Approach Homework Without Relying On The Grading Process:

Peer correctives

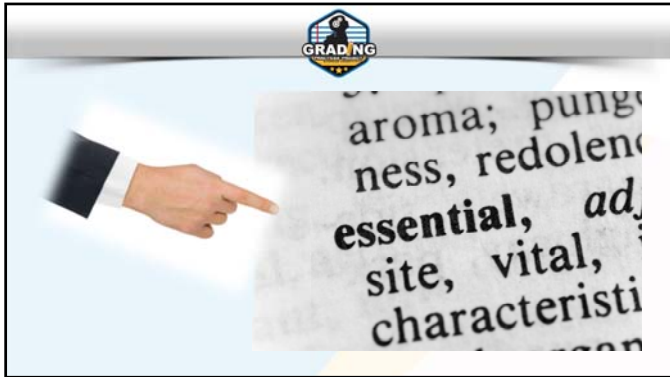

Differentiate pathway

Differentiate response

Differentiate homework

Make it optional

Distribute homework strategically over time

How to bring parents onboard

What three elements should be addressed with parents about repurposing homework?

Quality Over Quantity

Purpose Over Time

Emphasize external support
