In our efforts to support a successful transition to our local universities, colleges and community colleges, our new Cal-SOAP program is working closely with University of California - Riverside, Cal State San Bernardino, Moreno Valley College and Mt. San Jacinto Community College to host workshops that will provide the latest updates on their matriculation process, programs, etc.

University 101 workshop on **April 14, 2021 from 5:00 p.m. - 7:00 p.m.**

Register at: <http://rcoe.k12oms.org/2183-201345>

Community College 101 workshop on **April 28, 2021 from 5:00 p.m. - 7:00 p.m.**

Register at: <http://rcoe.k12oms.org/2183-201346>

These workshops do not replace any pre-existing training or plans your district may have already scheduled at a counseling meeting, but just another opportunity to receive the latest updates to support your class of 2021 students and families.

Please email Cherrie Cunningham at ccunningham@rcoe.us if you have any questions.

- This meeting is being recorded so that others may listen to it at a later time for reference and will be uploaded to the RCEC YouTube page as well as www.rcec.us once you log in to access the content of the webinar series.
- Please use the chat feature to ask your questions.

****Every effort has been made to ensure the security of this webinar from “zombombers” but in the event that we experience that, please stay calm and we will resume as soon as the technical difficulties have been resolved.****
