Overview - College & Career Kick Off

College and Career Kick Off is a whole school/district event. Invitations are sent to community members and industry people to be a part of our day. This is a day getting students engaged in thinking about post secondary education in any form.

All of the MVUSD participating schools, including elementary now, have an event on their campus.

Minimum day

All 8th graders take the PSAT

All 10th graders take the PSAT

Timeline/Calendar

Spring - Work with your site to form a team:

Leadership groups, administration, counselors, faculty members from all areas: CTE, Departments, College Career Center

Planning phase **March - October**, 2-3 planning meetings before summer

Work with site to build a calendar of events leading to CCKO day i.e: Staff Meetings, Professional Development Meetings. Plan for 3 PD days for teachers to present material

Create Action Plan

Create Logistics Plan

Logistics

At VMHS the entire school participates. *All teachers* are either presenting a lesson, moderating a meet the pros panel or proctoring, CTE pathway teachers take a role in set up, live streaming, photography

School is divided by grade levels to teachers based on placement of classrooms - assign them a grade level - Where is the need?

Build a resource page for teachers to access the lessons and videos for the day

Logistics

Create an interest from students 11th and 12th grade students:

- Transcript Reviews determine what industry sectors we recruit for panel presentations
- Students take a survey for their participation in CCKO
- Survey gives an estimate on who is interested in taking the ASVAB, PSAT, and can tell us what their path will be: 2 yr, 4 yr, Mil, Work
- 9th grade students are assigned to teachers
