UCR

AP READINESS

The Advanced Placement Readiness (APR) program provides supplemental instructional support to current and potential AP students in the following courses:

- AP Biology
- AP Calculus AB
- AP Chemistry
- AP Computer Science Principles
- AP English Language
- AP English Literature
- AP Human Geography
- AP Physics
- AP Statistics
- AP US History
- AP World History

The APR program also provides high level professional development for current and potential teachers of AP courses in STEM and Humanities areas. AP teachers involved in APR will participate in course-specific professional learning that includes observing and interaction with master teachers and engaging in professional networking that promotes best practices and rigorous AP instruction.

COLLEGE **2020** COMEBACK
RIVERSIDE COUNTY

A central graphic of a graduate in a yellow gown and cap, holding a diploma, with the year "2020" in blue. The graduate is wearing a white face mask. The number "20" is on the left and "20" is on the right. The graduate is positioned between the two "0"s. There are small yellow stars and sparkles around the graduate's head.

Network Session Tips & Tricks

- All sessions are being recorded so that others may listen at a later time and will be uploaded to the Sched App through October 29, 2021 and then be moved to the RCEC website. For directions on how to make a FREE account on the RCEC website to access all materials and resources, please visit the MAP section of your Sched app.
- Since all participants have been muted, please use the Q&A and chat features to enter your questions.
- Each breakout session is 60 minutes including the Q&A so if we don't get to your question, please submit it in the chat and we will try to send out an FAQ with the answers.

****Every effort has been made to ensure the security of this webinar from “zoombombers” but in the event that we experience that, we will resume as soon as the technical difficulties have been resolved.****
